

## Canadian Provinces and Territories

You can present your province or territory the way you want, but you have to prepare 12 questions for our final board game at the end of the year. The questions have to be handed to me on May 1, 2019.

One or two provinces or territories will be presented every time we meet. We start on the east coast and travel to the west coast and then the north.

## Canadian Legends

You will have to read a canadian legend and play it to tell us the story. It can be a human-size play or a miniature one with dough or paper puppets, it can be a muppet show or a stop-motion movie. Just as long as we can sit and enjoy the story playing in front of us. You will be in a team of two. Siblings can be together. You can film it on video if you are too shy to play in front of everybody.

I am handing you the books on January 11. The presentations are on March 15 and April 12. You have a maximum of 8 minutes.

## Canadian Postcard Exchange

You have to write two postcards (they can be identical) to children of two classes in other provinces. (I'm still waiting for the list, I'll give you information as soon as I get it). Tell them about your home, your homeschooling life, your surroundings... In return, we will receive, as a group, 25 postcards from around Canada. They will arrive at my house and I will read them to you in our English meetings.

We have to send our postcards before April. We will write the real postcards together on February 22, but you have to write your text at home before.
